UNIVERSAL JOINTS

Select raw materials for increased static strength & longer life. Precision ground trunnion & bearing surfaces insure trouble-free operation. Most u-joints have the convenience of a lube fitting in the bearing cup for easier lubrication after installation & during the re-lub cycle.

C.V. BOOT KITS

(Inboard & Outboard)

Heavy-Duty Puncture-Resistant Boot (made in USA), Clamps and Grease.

Voodoo AXLES

Motor Master Powersports introduces VooDoo Axles for ATV's and UTV's that have lift kits, or extended A-arms, and require long travel suspension. The revolutionary design of these high-strength axles enables them to extend and compress, thereby accommodating long suspension travel
